SECRET CRUSHES

Brea Bennett
& Codi Milo

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

Okay, you made me admit it. I do have a secret crush on both Codi (Milo) and Brea (Bennett). They are both so hot and sexy that I cream just at the mention of their names. Your pictorial and video of the two is sizzling and makes me sizzle, too. They are two perfect women with hot sexual desires. And it's so exciting that they are bisexual, another reason to crush on them. Seeing a big dildo go into sweet Codi's pussy, pushed in there by Brea – hot! And all the tongue action between the two is to die for. And to see them fucking on this beautiful classic car instead of a bed makes it a perfect setting for a sizzling sex scene between these two beauties. More!!!

– Dale, MO

Whether she's a blonde or a redhead, Brooklyn is one hot fuck and I have a crush on her. She's as hot and sexy as they come these days. Her sexual appetite is insatiable and her performances are top notch. I love her naturalness, in her boobs, her body, and her horniness. She doesn't keep anything back when she's having sex. I've followed her through her few years in porn and at the beginning I thought she was just going to be in and out of it like many girls. But she hung in there and has turned out to be a star. A genuine star. I think her rise to porn stardom is well earned and well received. Having seen almost all of her 100+ videos, I am thrilled to see her in pictures so the memory will last longer. I especially like her European movies. They are different than the ones made here and there's just something different about them. Go Brooklyn!

I HAVE ONE MORE HOLE OPEN FOR YOU

HOW TO BECOME AN 'A' #1 STAR FUCKER FOR FUN AND PROFIT

We've all heard of star-fuckers, but how does that actually happen? It takes at least two and the circumstances have to line up perfectly for the event to go down. Maybe one day, you'll be in that position.

For the last couple years, I've been serving drinks at this famous cocktail bar in tow. The tips have helped me pay for college. Now that I've graduated, I decided to stay on through the summer and then start looking for a job in the fall. I've decided to work extra long hours so I can put some coin away in case my job hunting takes a while. That also means no dating, no love life, no fucking, just chase the dollar.

I think I'm a great server, I smile all the time and it has to increase my tips, I know it. Our uniform also helps. It's a short black wrap-around skirt with wide fishnet panty hose underneath. The top is a sleeveless dress shirt tied at the waist to there's a little belly skin showing. The bra they want us to wear is a soft cup shelf bra that pushes up a good amount of cleavage and with a top button or two left undone, a nipple may pop out every once in a while. I know that bending over just at the right time, in front of the right table of guys can add another fifty to one hundred dollars to the tip!

The venue is pretty big, with over eighty tables and booth and a two bars. Towards the back right side is a special room reserved for celebrities and parties. It holds about thirty people and has it's own bar. I've only worked that room a couple times, substituting for the regular waitresses when they don't come in. Last Saturday, a movie wrap party had booked the room. I was helping out, smiling big at everyone as I was serving drinks, when I felt a touch on my forearm.

I turn to look and it was Jason, the director of the movie. "I see you smiling but I don't believe it," he said. I looked at him and said, "Excuse me?"

"I've been watching you and when your not smiling, I think there's a sadness poking through," he said. Jason is talking to me, I thought. The biggest young director.

doTERRA

I can't believe it. He has a good reputation for being bad. He's a star in his own right and infamous for the parties he throws, I have heard.

"Oh, I'm okay, I'm fine, thanks. Just a little rundown from a long day. May I freshen your drink?" I asked, trying to change the flow.

"Thank you, but I'm fine." he said, then continued... "As a director, I think I can read people and you're definitely an unopened book." he said. "I may be able to help with what's eating you." he continued.

"Eating me? There's nothing eating me." I countered. He leaned in closer and said something I did not quite make out. Then he touched my arm again and I got the message that I should follow him. Now we were alone a secluded corner back behind the bar where no one would see us or miss us. Suddenly my pussy got warm.

I wrapped my arms around his neck and we kissed. After a few pecks, I reached down below his belt and felt him rock hard. I got myself out of his grip and knelt down to unzip his pants. I pulled his generous seven plus inches out and immediately wrapped my lips around it.

He grabbed a fistful of my hair as I choked from the incessant thrusting. His cock head was tapping the back of my throat. I couldn't believe how wet I was down there when I pulled my panty aside. He immediately pulled out of my mouth and put me up on the empty banquet table. Before my ass hit the table top, he pushed his cock into my wetness. For several minutes he pounded my pussy as I played with his balls.

Then he pulled out and moved his face down into my mound. I was already about to burst from the fucking, but I held it off and loved every moment of his soft tongue gyrating against my tender button and his fingers thrashing into my wet hole. It wasn't until he lifted up my little hood and stuck his tongue against my bloated clit did I erupt, spewing my juices all over his mouth and down his throat.

I whimpered as I came, but I managed to move to all fours and spread my ass cheeks apart. Holding onto my hips for support, he began teasing me by putting just the tip in, but when I pushed into him further, he slid

in with ease at how wet my pussy was at the moment.

As he pounded into me more, I could hear the muffled voices of the party in the other room laughing and screaming. And here I am, banging the director, wondering if they miss him. Or maybe they're used to him disappearing with various women all the time. I almost wanted them to see their leader giving and getting joy, balls deep inside the wet pussy of a college girl waitress. But I'm getting ahead of myself. I pushed my butt back into him and he began fingering my ass hole. I looked back and told him my ass is off limits – this time. He continued fingering around it without putting his finger in. I liked both the feeling and the respect.

I sensed he was about to come. His cock tensed and just before he exploded, I pulled him out quickly while keeping a firm hand on his cock. I got in front of it and I licked it and then swallowed his hardness before his load started coating the inside of my throat. Hearing him groan while I was holding his balls, freeing his sack of the rest of his load; it got me so hot that I was ready to start again, but as luck would have it, he had to get himself together so he could go out and mix again.

That night was an eye opener. I received calls from other high profile people from the movie and got invitations from the movie opening to the bedroom. Selectively, I accepted some invites and passed on others. I even got a job offer for the fall... from the director!

Adrianna Luna

We couldn't wait to get a chance to talk to Adrianna Luna. Since she stared in the business several years ago, she's been a fan, and one of our favorites. Her infectious smile, warm personality, and tiger-in-the-sack sexuality make her a star worth listening to. Her fans often write to us and so we wrote to her. She made our day.

Wishful Thinking

Adrianna Luna

Hello Adrianna. You know we have to ask this question first. How did you get into this business?

In 2012 I became a Penthouse Pet, but I had done some shoots for them before becoming one. I liked the attention, but most of all, I liked the sex, so I continued in the business and all these years later, here I still am. The rest, as they say – is porn history.

Please describe your first scene for us. Who was it with, etc.

My first scene, other than the Penthouse shoots, was with another girl. Strangely enough, I think my first hardcore guy scene was with her boyfriend, so I'd rather not say at this point. I wasn't doing hardcore stuff until then. When I finally did, it felt quite natural to me. I had wanted to do porn for so long that I felt complete and utter relief when I finally did – and ya know what? It felt wonderful.

Did you watch much porn before getting into it?

Yes, I did, I had boyfriends who watched it and I would watch with them. We used it to spice up our love lives, but it also gave me a lot of pointers about sex. I was 24 when I did Penthouse so I had plenty of time.

Do you still watch today and if so, what type of porn is it?

Right now I'm really into bondage movies. I made one a while ago, and I kinda liked it, but was still pretty uncomfortable about it at the same time. But the more I watch, the more interesting it is. I stared out as a sub, and I may try being a dom. But my favorite porn is slow, woman-friendly sex. I'm really a big romantic at heart and I like to see it slow and sensual for a change instead of the same old 'bang the bitch' and cum on her face, sort of thing.

Wishful Thinking

Adrianna Luna

Who's your favorite male star to work with?

I can't tell you his name, but I was so excited when I got the job. He's a guy known for having sex a bit on the rough side. I have to admit, by the time we were done, I had the time of my life. My pussy ached for three days. All I could do was masturbate!

Are there any starlets that tweak your fancy?

Of course there are. Again, I need to refrain from any names. Most girls are excited to work with me and I'm excited to work with them. A couple months ago, I did a stills-only shoot with a newbie that wanted to get into the business but hadn't done anyone yet. She agreed to do a non-video shoot and only with me. I was so flattered that I immediately said 'yes.' We did the shoot and I was probably as turned on doing those stills as any video shoot.

In private, what is your sexual preference? Men or women?

I lean a bit more towards men. It's the penis. I love cock, real cock so a man is my first choice, especially if he's responsive to my actions. But, I'm genuinely into girls, too. The still shoot I just described was so exciting, it has to rate right up there in my top three. So, as you can see, I've enjoyed many of both in my days.

Have you ever had a girlfriend in real life or just boyfriends?

I have a lot of girlfriends and even two that I'd call my BFFs, but none that I would call an exclusive relationship and don't think I ever will. I need a man for my pussy.

Not to dwell on it, but would you describe your favorite girl sex?

As I said, in my personal life I haven't been too wild with girls, but I do dig them on set. There's a hugely different dynamic with girls on set. The sex has to be visual and vibrant. In real life it's not as wild. Once, when I was 20 years old and still in college, I tried fooling around with a few at a rock concert. I was naive and inexperienced and so there was only a lot of finger banging. Now, it seems so tame

in comparison to what I know and do today, but back then I felt like a really dirty girl.

Everybody has a favorite spot to be kissed. Besides your clitoris, what's yours?

Kissing is a special act that I take seriously. I'll kiss on set but it's not the same as kissing my lover. So that says that I like soft, slow kiss on my lips. No mustaches men, I don't like my face getting roughed up by some guy's facial hair. I also am a really big fan of having my neck kissed, especially from the back. It's real turn on, but if it's done in a certain way, I think it shows true love and that makes it even more special. I hope all of you reading this will find or make time to kiss your woman the way she wants to be kissed.
